- 0–5
- 6–10
- 11–15
- 16–20
- 21 & over

### 5. Number of people involved with NDT at your company
- 1–5
- 6–20
- 21–50
- 51–100
- over 100

### 6. Your Job Function—Choose the one which best describes your role.
- NDT Management
- Quality Management
- Engineer
- Technician/Inspector
- Consultant
- Sales/Marketing
- Researcher
- Academic/Educator
- Trainer/Instructor
- Student

### 7. Purchasing Responsibility
- I recommend/approve purchase of equipment/instruments/supplies
- I recommend/approve purchase of training & study materials/programs
- I recommend purchase of services
- I am not involved in purchasing

### 8. Which NDT method(s) do you perform?
- Acoustic Emission
- Alternating Current Field Measurement
- Electromagnetic/Eddy Current
- Ground Penetrating Radar
- Guided Wave
- Infrared & Thermal
- Laser
- Leak
- Liquid Penetrant
- Magnetic Flux Leakage
- Microwave
- Neutron Radiography
- Radiography
- Ultrasonics
- Vibration Analysis
- Visual

### 9. Choose the one business industry segment that best describes your company.
- Aerospace/Aviation/Aircraft
- Amusement Rides & Skiing
- Automotive
- Chemical & Petroleum
- Construction
- Commercial Labs
- Infrastructure (Roads & Bridges)
- Electronics
- Marine
- Medical
- Nuclear
- Optical
- Ordnance
- Pipeline
- Pulp/Paper
- Railroad
- Semi Conductor
- Utilities

### 10. Choose the primary type of application of NDT that you do?
- Design and Failure Analysis
- Field Inspection
- Incoming Inspection
- In-service, Plant/Operation Maintenance & Process Control
- Product Life Extension
- QA/QC Reliability
- None of the above

### 11. Highest Level of NDT qualification.
- None
- ASNT NDT Level III
- Level I
- ACCP Level II
- Level II
- ACCP Level III
- Level III
- IRRSP
- Other

---

### Student Membership

ASNT student membership requires verification of enrollment and anticipated date of graduation. Only one of the following items is required for verification.
- copy of current student id card with issue or expiration date
- copy of current transcript
- copy of current class schedule
- letter from the college/university

Return with renewal form, fax to 614-274-6899 or e-mail to: asnt_membership@asnt.org.

### Lifetime Renewal Option

To qualify, your age and length of ASNT membership added together must equal 65. This offer is available to all regular, individual members and is subject to verification by ASNT’s Member Services. Contact ASNT for overseas airmail fee.

### Retired Membership

Retired membership is available to Society members who have paid full membership dues for at least 15 years, are at least 60 years old, retired and are not receiving remuneration of any kind for NDT activity.

### Research in Nondestructive Evaluation

An established source of archival data on original research in all areas of NDE. This journal is recognized for its coverage of experimental and theoretical investigation in the critical fields of material property characterization, degradation in service, nonintrusive manufacturing techniques for characterizing hidden flaws and distributed damage. Join those who have already subscribed to this important journal.
